Dear Graduates of 1985:

I extend to you sincere congratulations as you complete your high school years at Mt. St. Joseph Academy.

As you leave M.S.J., I pray that you take with you many happy memories of peaceful, God-filled moments, times of growing, friendship forming, commitment keeping, and academic learning.

In following St. Paul's advice "to set aside childish ways," never give up the child-like ways of youth. Continue to enjoy the enjoyable, to weep in the losses, to pursue the excellent, and to let love permeate your entire life. God will never leave you, and I will encourage you to remain very close to Him in all the events of your life.

May the roads rise with you
and the winds be at your back.
May the Lord hold you
in the palm of his hand.

God bless you,

Sister Shirley A. Davis

Sister Shirley A. Davis

A dedication is a page set aside to acknowledge the outstanding contribution of one person to a particular class. This year, the graduating class of 1985 would like to dedicate their year to a teacher who has helped us learn, a coach who has helped us grow, and a friend we can count on. This person has always been there (better late than never) at sports events and plays. She has encouraged us to do our best.

With love, we the class of 1985 dedicate our yearbook to Mrs. Jennifer Bagley.

MOUNTIES

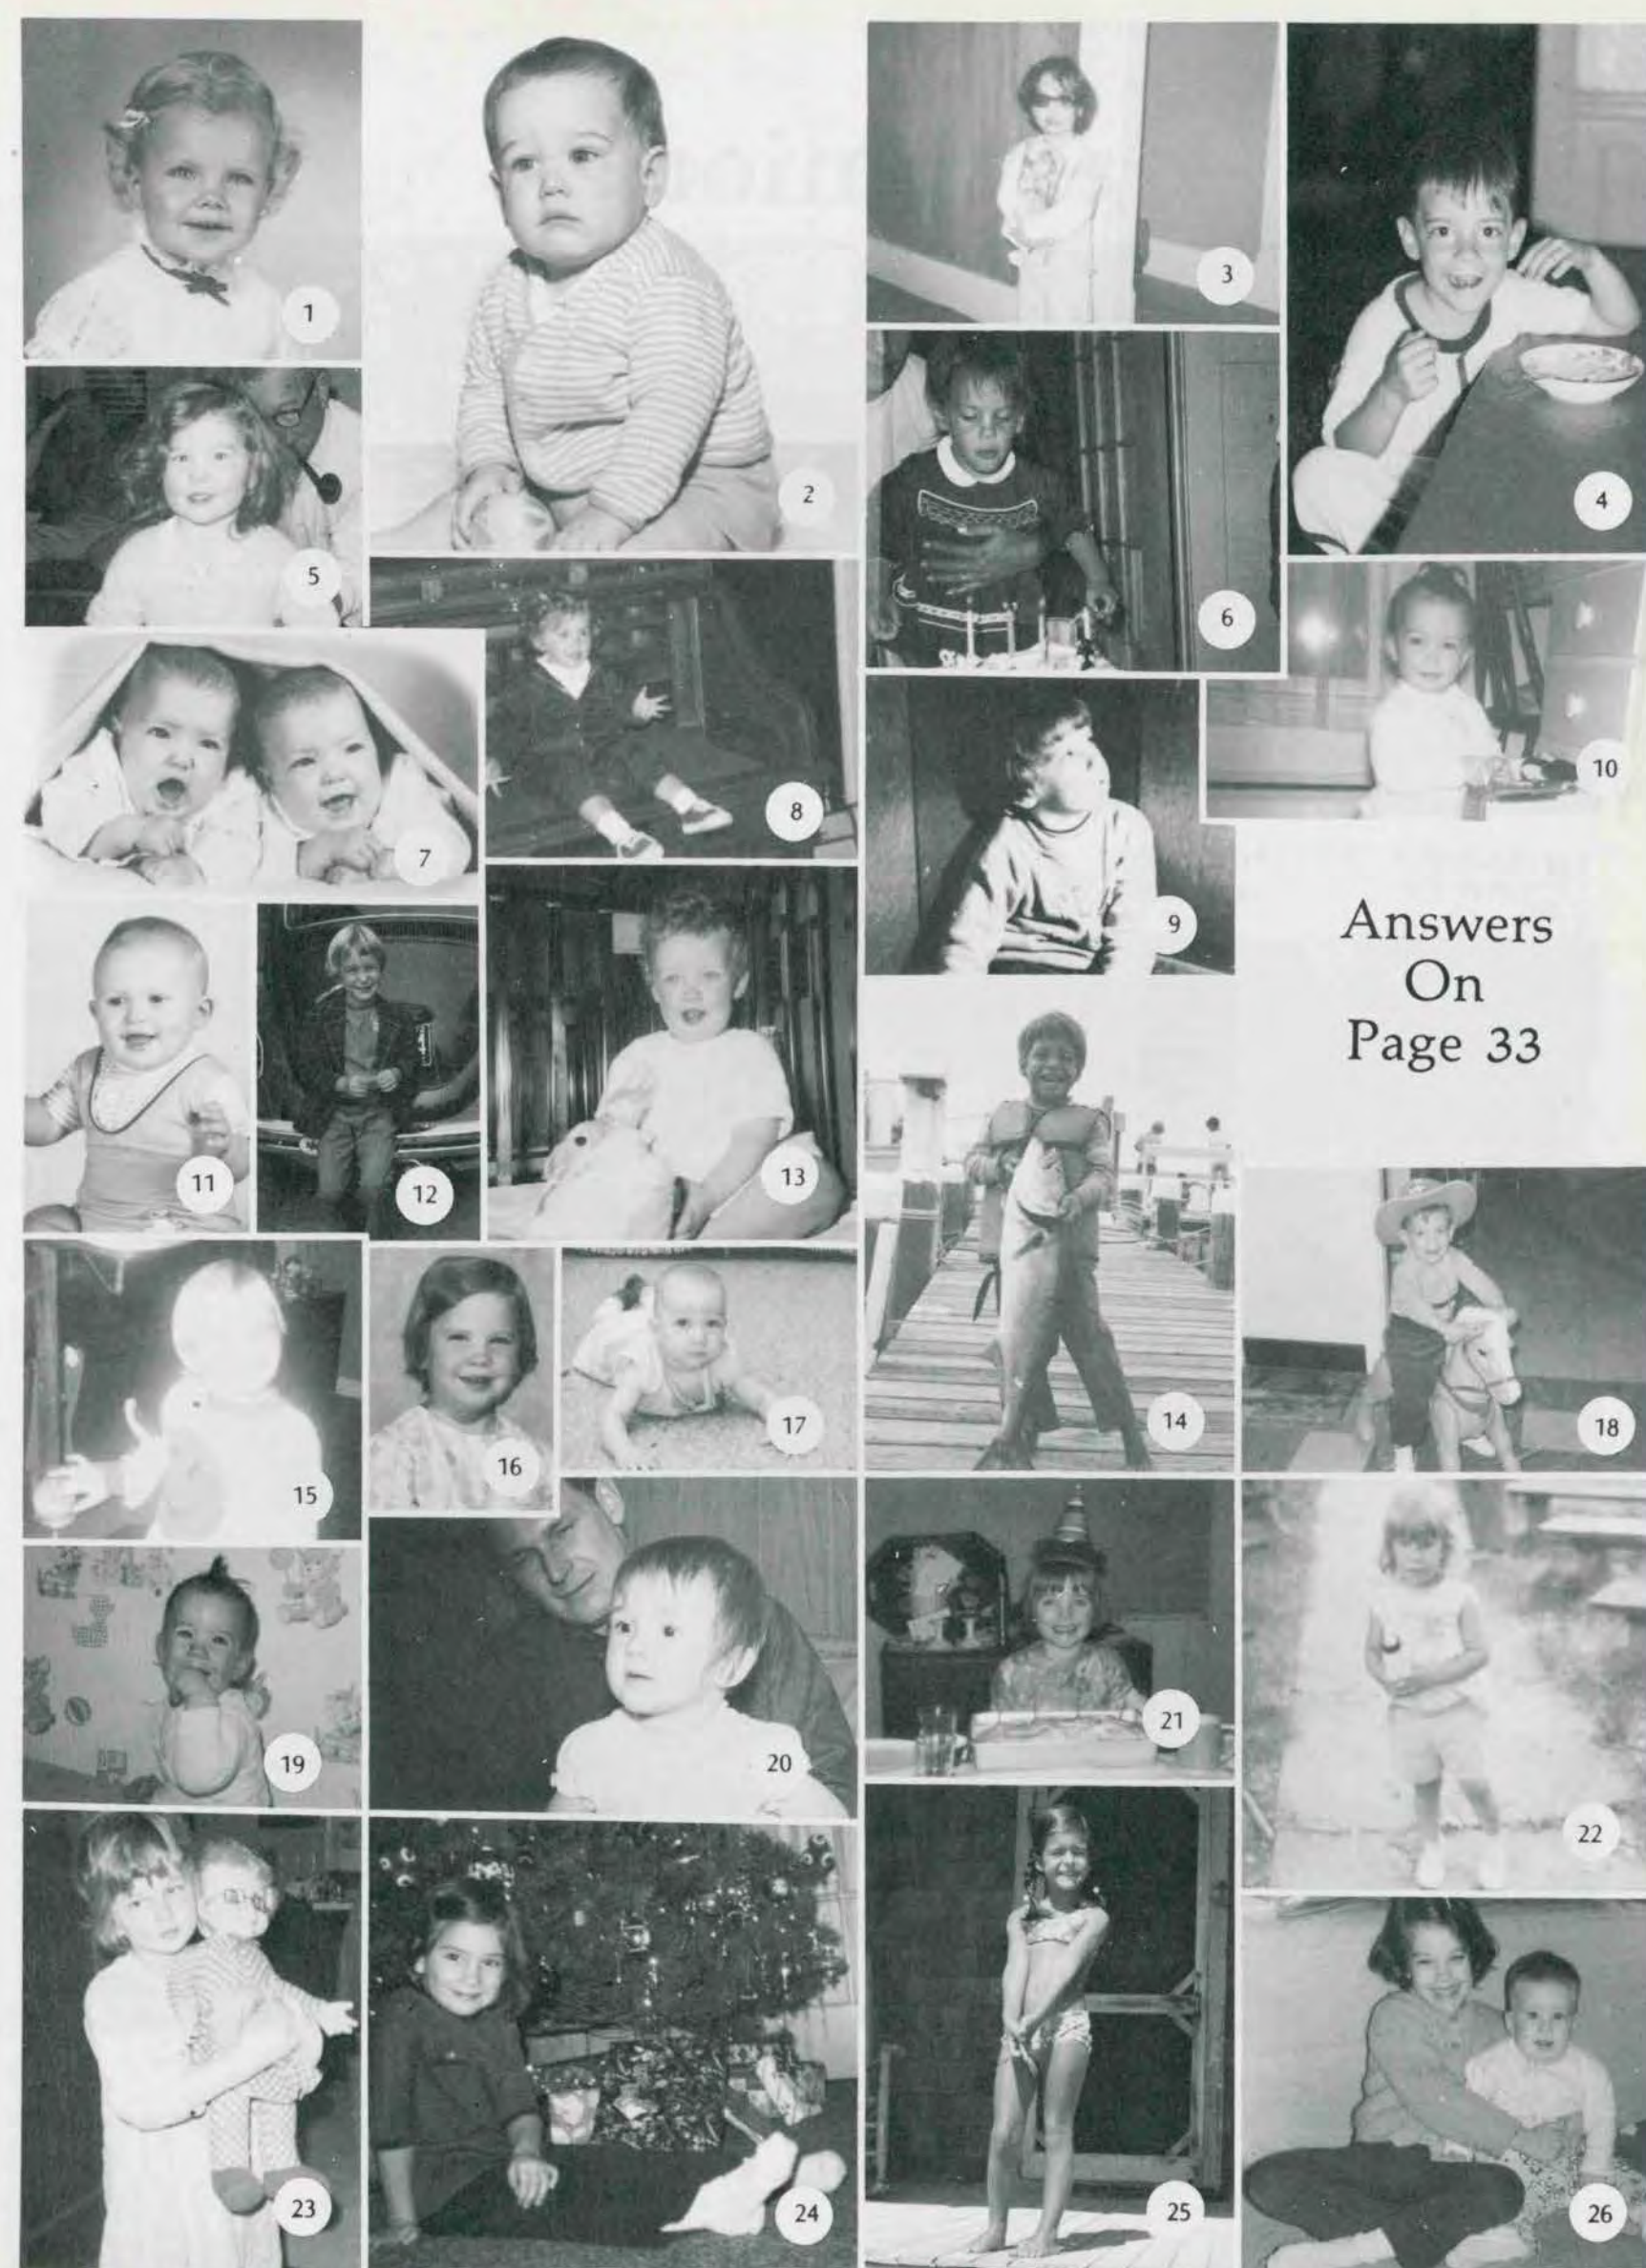

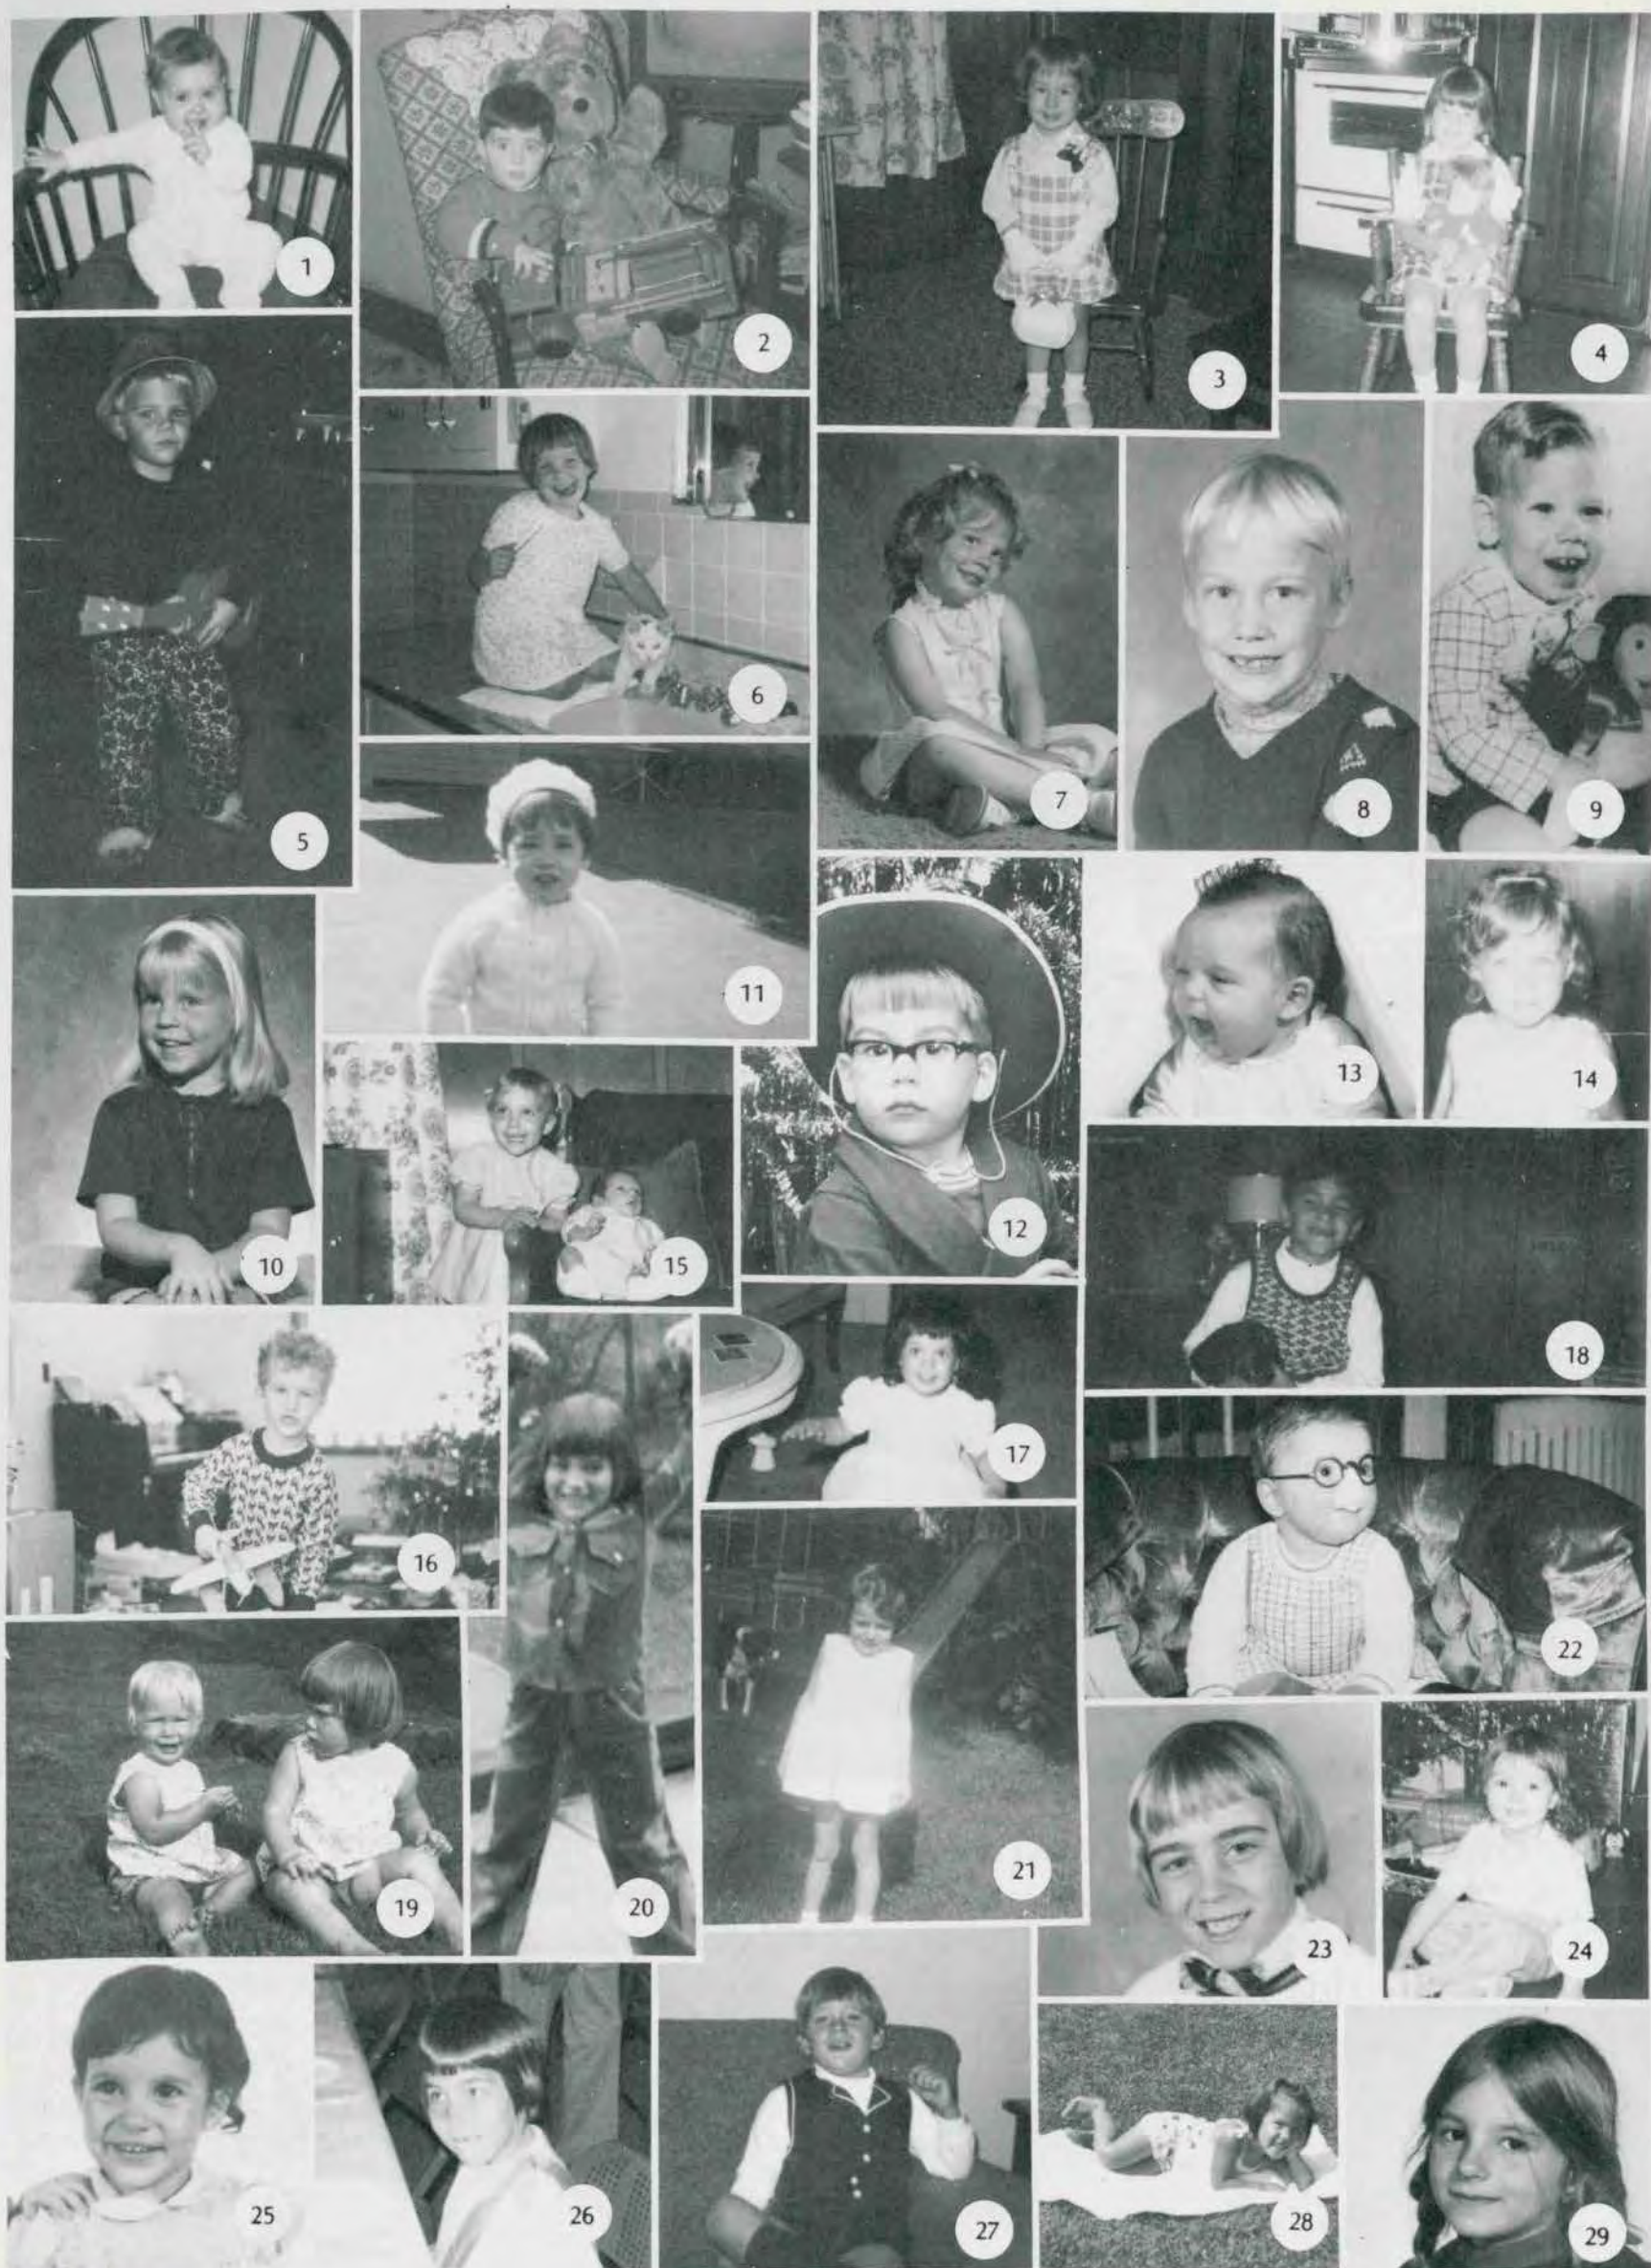

Don't go changing
to try and please me
You never let me down
before

Don't imagine
you're too familiar
And I don't see you
anymore.

I would not leave you
in times of trouble
We never could have
come this far

I took the good times
I'll take the bad times
I'll take you
just the way you are

We are indebted to the P.F.C. for accomplishing the following during the 1984-85 school year:

paying the 83-84 deficit
painting the lobby, girls' restroom off lobby as well as 3rd floor
repairing the "hole" in the parking lot and the brick wall on Forrest
purchasing a new Canon copier for the faculty room
financing the resurfacing of the gym floor and buying a new tarp
funding an alumni newsletter

The P.F.C. has a weekly commitment to Bingo. They have also hosted a flea market Super Bingo, and a 50's Dance. This winter, the P.F.C. purchased the material and built a trophy case for plaques only in the lobby.

There are so many ways in which the P.F.C. sustains the school, that all we can say in return is **THANK YOU VERY MUCH!**

BOY'S STATE

The American Legion sponsored five Mt. St. Joseph students to attend Boys State. They were: David Beayon, David Solari, William Kimball, Mike Zukowski, and Jim Crowley. At Norwich, the boys attended sessions on government procedures. Of noteworthy achievements, David Beayon and Mike Zukowski ran close campaigns for high offices. Dave lost the Lt. Governor by one vote. Mike Zukowski formed his own Progressive Party and gained a modest following. All of the boys learned valuable lessons in governmental participation.

GIRL'S STATE

What a week! When everyone arrived at Vermont College last June, the majority didn't want to stay for the whole week. Every day we attended lectures on how the government works and learned about it, but eventually everyone got interested in it. Jennifer Allen, leader of the Nationalist Party, spelled out the name of her party with her body. Becky Thomas, Gail Warner, and Karen Perry were all elected Representatives from their towns. Cathy Eads was chosen to be assistant clerk of the Senate. By the end of the week, we all left with many new friends and memories.

ELKS CITY

Elks City is an experience in local government. Chosen junior students from RHS and MSJ are given different positions in a Rutland City Youth Government. Each member observes and converses with the official Representative, participates in a mock town meeting, and is then honored at a dinner at the Elks Club.

SCIENCE CLUB

The Science Club is mainly under the supervision of Mr. John Tetreault. The purpose of the Science Club is to help to organize experiments in different fields and to promote more of an interest in science. Many of the members are participants in the Vermont State Mathematics and Science Fair. Among the various experiments were hydra, goldfish, astrology, and computers.

UVM JUNIOR CONFERENCE

The students elected to this were: Stacy Parker, Patty Thibodeau, and Bill Wyrick. A few of the seminars were: 1. Packaging yourself: clothing symbolism and 2. Assertiveness: a way to improve communications with peers and parents. The seminars were interesting and informative. We learned much about each other, ourselves and others in society.

Student Senate 1984-85

The M.S.J. Student Senate is a community-oriented group which spends most of its time working for the student body. It consists of our elected members from each class and a president chosen by the entire student body. Highlights of this year's activities were:

The annual walk-a thon. \$11,000 was donated to the School Board in Sister Clementine's name. Sister Shirley and Sister Clementine received donations of over \$1200 for their one mile walk. This year more local businesses and organizations provided incentives for the students.

Project Help '84. The gym was used for sorting, boxing, and distributing food baskets for 350 families, and the entire process was accomplished in record time. Community participation in this endeavor has also substantially increased.

The Senate has also been involved with dances, Spring Fling, and various other school functions, as well as working with the Administration.

Officers are Kristian Omland, President; Karen Perry, Vice President and representative to the School Board, Joanne Halpin, Secretary; and David Austin, Treasurer.

Co-moderator, Mrs. Janet Baker has described working with the Student Senate a rewarding experience because "student senators are special people who give so much time in ways their classmates don't realize." Co-moderator Mr. Tim McCue describes his experience with the Student Senate as "fun, fulfilling, and busy," and states further he would not trade his position as moderator for any other organization.

. At The Mount

The 1984 Mount Saint Joseph Football Team had a very fine season. The defending State Champs worked to a 5 and 4 record in a season of many ups and downs. The Mounties returned this year with a completely new team, and the rebuild was slow. In the first game the Mounties defeated the Slaters of Fair Haven in a sloppy 14-12 game. The next game was a dismal failure losing to South Burlington 26-0. That was when Coaches Funzie Cioffi and Tony Zingali went back to basic football. The Mounties went on to beat the Burlington Seahorses 19-8 in an inspired performance. The Mounties then won their first Southern Vermont League game against Brattleboro 17-15. Then came the rematch of the 1983 Div. I Championship game. The Essex Hornets came down to St. Peter's Field to meet a pumped up Mounties Team. Two touchdowns a piece by senior Tim Crean and junior Mike Joyce lead the Mounties to a 35-14 romp over Essex, but the celebration wasn't very long. The Tigers of Middlebury beat MSJ 20-14 on three long touchdowns on the option play. Despite a fourth quarter surge and two touchdowns by a renewed Mountie offense the Mounties came up short. The Mounties then traveled to Troy, N.Y. for a game with LaSalle Academy which the Mounties won 28-0. Then to Bennington for a SVL game with Mount Anthony. In a tough game fought, the Mounties lost 7-6. Then the climax of the season came . . . the Rutland-MSJ game. That was to be the game to determine who was going to play Middlebury in the championship. The season finally was disappointing. The Mounties stalled in their efforts to go to the championship.

GIRLS VARSITY SOCCER TEAM

The M.S.J. girls soccer team returned this year with a nucleus of outstanding athletes including seniors: Laura Beatty, Meg Terry, Gail Warner, Odie Thompson, Kim Woods, Lauri Tatre, and Mary Valiquette.

The tri-captains this year were Laura Beatty, Gail Warner, and Odie Thompson. This year's team compiled a record of 5-4-4 which earned them a play-off game against Lamoille which was a hard fight and lost in overtime 2-1.

The All-Stars from this year's team were Junior Goalie Patty Dube, Junior Forward Kathy Crowley, and Senior Fullback Odie Thompson.

The team was coached again this year by returning coaches Patty Job, Murray McGrath, and E.J. Bishop.

The Mountie Cross-Country Running Team, as usual in the shadow of the Mountie Football team, enjoyed one of its most successful seasons of the past few years. Fielding the largest boys team ever, the Mounties had one of their best finishes in the State Meet, 11th, and for the third year in a row, wound up 2nd in the Marble Valley League. The girls, on the contrary, could not field a team for most of the season, M.V.L., or State Meet. However, junior Lovisa Johnsson was the individual M.V.L. Champion and also qualified for the Meet of the Champions for the second consecutive year. Kristian Omland was the only boy to qualify for the Meet of the Champions.

With many young runners returning, Coach Tom Heffernan should enjoy continued success within the next few years.

Girl's Football

For the first time in M.S.J.'s history, the Mounties defeated Rutland girls in the annual girls football game. On November 4, everyone enjoyed the game, if you look past the bumps and bruises, which derived from our so-called "Flag-football" game. Thanks to two of the best coaches we could have: Tim Crean and Fletcher Wilson, and congratulations to Amy "Odie" Thompson in receiving the "MVP Odie Award" and congratulations to the whole team for a great game well played. Cross-Country Skiing

The Mountie Cross-Country Ski Team completed another successful season under the helm of Coach Tom Heffernan. The Girls team finished second, and the boys team third in the South Vermont Districts. Exceptional performances this year included second place finishes by both teams in the Quechee Relays. Also best performances included senior Becky Thomas leading the team to victory by a first place finish at Quechee in a high school race. Senior Jim Crowley led the Mounties to a tie for first by placing second in the same race. Lovisa Johnsson had a strong third in Queensbury and a second in the districts. Kathy Thorne's best result was a sixth place at a Mt. Top high school race. Steve Cwikowski placed seventh in Districts, and senior Bill Kimball was the top Mountie boy finisher in the State Meet. A Special Thanks from the 1985 team goes to Tom Heffernan for all his dedication and hard work.

ALPINE SKIING

The Mountie Alpine Skiers had an excellent season. For the second year in a row the Boys won the State Championship, and for the sixth year in a row the Girls won the States. At the year end banquet, awards were given out. For the boys team Travis Dixon was chosen as most valuable skier and Greg McClellan was given the Coach's Award. Cheryl Dixon was chosen as most valuable girl skier and Kim Baker received the Coach's Award. We wish the Mountie Skiers the best of luck in the coming years.

ICE HOCKEY

The Mountie Hockey Team completed its finest regular season ever this year. They entered the play-offs in 2nd place at 15-2 in Division II play and 16-3-1 overall. Although the team was quite young, leadership was provided by Co-Captains John Millspaugh, and Joe Ferrara as well as third year letterman Ethan Abatiell, Jay Cox, and Kelly Bombargier.

This year's team was characterized by an explosive offense that was mostly executed from a line of Millspaugh-Larkin-Curran. Outstanding freshman Jim Larkin led the squad in points and goals while sophomore Paul Curran dished out the most assists as the whole first line eclipsed over 50 points; a Mountie first. John Eagan also netted a good amount of goals.

Ferrara was a valuable in the nets and was provided strong defense by Cox, Bombardier, and also frosh Chris Ladabouche, and Phil Thibodeau.

Progress by frosh Greg Sabatato, Bill Chioffi, Fletcher Wilson, Dan Johnson, Jeff (Smurf) Randall, and Keith (Catcher) Buzzell as a goalie makes the future of the Mountie Hockey look extremely promising.

by John Millspaugh

(Ed. Note: Captain John Millspaugh is a strong defensive and offense player as well as a modest writer. John netted over 25 goals so far this season and also made the All-Star Team for M.S.J.)

Hockey Cheerleaders: Johna Ley, Barb McElroy.

GIRLS VARSITY BASKETBALL Coach R. Rideout, L. Howard, A. Thompson, K. Levins, M. Eggleston, G. Warner, M. Terry, M. Moore

GIRL'S HOOP

This year's Mountie Girls Basketball team had a history making season. Coached by Ron Rideout, they had a league record of 8-7 and an overall record of 12-7. The girls were seeded 8th in the playoffs and they defeated U-32 56-45 in an exciting game. The Mounties went on to be defeated by Mill River 58-46 in a quarter final game that ended their season. This year's Mounties had 5 returning starters: four seniors-Missy Moore, Gail Warner, Odie Thompson, and Meg Terry and 1 sophomore-Kim Levins. They were backed by a small but skilled bench of Michelle Eggleston, Lisa Howard, and Shelly Bowen. Kim Levins was the top scorer in the CVGAL league and she led the Mounties to many victories and some close defeats. A few of the girls' exciting victories were an exciting win over Proctor in which the Mounties were down at the half but they came back and won. Against Rutland the girls were down again but they came back to defeat the Raiders in the last quarter.

The 1985 Mt. St. Joseph Academy Varsity Basketball team was almost completely different from the 1984 State Championship Team. The Mounties lost their entire starting lineup due to graduation. The '85 team was a team that had excellent individual talent that worked well together on the court, but that is also true off the court. The players were all good friends and through the season each player took on a new identity. The names you heard around the locker room weren't Farrell Quinlan or Miek or Chris, but Lip, and Ton-Ton, and Do-Me. Other names began to creep into the locker room like Tweet, Margo, Bagle, Bones, Sally, Dino, Seaman, Cage, Ham-Breaker, Spanky, McCorn Cob, and Lachinsky. But with all of that going on, the Mounties still turned in a very successful season with Coach Dave Kinsman at the helm.

Indoor Track

P. Dube, C. Eads, T. Manseau, K. McElroy

The 1984-1985 indoor track team had a very productive season. Their accomplishments included breaking five school records. Patty Dube set a school record in the hurdles, both Diane Pockette and Cathy Eads set the school record in the 300 yard dash, Cathy McElroy set a school record in the shotput, Cathy Eads set a school record in the 60 yard dash and the 4 x 200 relay team consisting of Dube, Pockette, Eads, and Theresa Manseau also set a new school record. This really team became the first to make it to the Eastern Meet at Harvard University. Eads also competed in the 60 yard dash at this meet. The team, coached by Peter Gallagher, had a very successful year including a third place at the State meet in a field of seven teams.

The 1984 outdoor track team had a very strong season. In the State Meet the team achieved a third place dominating all of the sprint events. Both the mile relay team and the 4 x 100 relay team made it to the New England Meet by placing first at the State Meet.

We wish Good Luck to the 9185 outdoor track team and hope that it is as successful as the previous team.

The M.S. J. girls have been known for their great tennis teams in past years and this year will be no exception. Our girls practice many hours a day, 5-6 days a week, under the supervision of their Coach Mary Wing.

Every year Mrs. Wing puts much of her free time towards her team that she has taught and guided for many years. She has always been a great asset for team and we hope she will be with us for many years to come. The team wouldn't be the same without her.

by Kim Woods

Golf

The Mountie Golf team is led by young but experienced foursome of golfers: Shawn Edmonds is the top golfer of the four while Mike Joyce, Chris Dumouchel, and John Eagan provide consistent play for the team. The 5th position could be filled by any of the team players who are not part of the traveling team. They are Mike Baker, Dave Austin, Mike Battles, Brian Woods, Dan Baldwin, and Farrell Wuinlan.

SOFTBALL

The softball team had a very good season last year. They ended up with a win - lose record of 9 and 7. This record allowed them into the tournament playoffs. The first playoff game was against Vergennes, the final score was 3 - 2 in favor of M.S.J. The next game was against Oxbow. The final score was 5 - 1, against M.S.J. We feel that the girls team did a very good job and we wish them well in the coming year.

MARTYBALL at M.S.J.

Though a losing season a year ago with freshman starting, such as Cerebal and Cujo. The Mounties did better than their record suggests, they always came close, to teams who played best.

The Major got us psyched with his pre-game talks, and Crawler did his part as he never balked. Ariba was a pitcher, and was the best he could be, but when it came to running, he was slower than Miltie.

Half-pint had guts, and played with emotion, as did the Speedster, who avoided commotion. Then there was Flyhawk, or the Chicken Man, who did his impressions better than Mary's Little Lamb.

Flyhawk, Goodie, and Moorsey have left us forever. But we will remember them as we try to do better. They played with a passion, and gave it their all, as we will do this year in MARTYBALL!

GHOSTBUSTERS

DIED, George Aiken, 92, Republican veteran of the U.S. Senate for 34 years, and Governor of Vermont (1937-1941), who after five decades in politics still referred to himself as a New England land farmer, in Montpelier, Vt. A blunt-spoken maverick whose liberal views often nettled his party, Aiken led efforts to bring electricity to rural America, to build the St. Lawrence Seaway and to create the nationwide food-stamp program. His campaigns were noted for their thrift. Expenses often totaled less than \$20—for stamps to send "thank you" letters to people who had, unasked, circulated his reelection petitions. Aiken became famous for suggesting in 1966 that the solution to the Viet Nam War was for President Johnson simply to declare the U.S. the winner and then retreat.

MUSIC

MUSIC

Webster defines music as "an agreeable sound". Obviously one sound will not be agreeable with everyone, so many different sounds were developed.

With the few exceptions of people who would rather sit and meditate, everyone likes music. Some people can sit back and listen to music, some have to get up and dance around, still there are others who cannot listen to music without doing homework.

Why do people listen to music? There were quite a few different responses, ranging from "Why not?" to "It's better than listening to my mother."

First off, you have your heavy metal bands, usually having loud, screaming vocalists, with a guitar to match. These bands sing about sex, drugs, and rock and roll, but usually nothing else.

New Wave is sometimes political, but does not have any strict guidelines for subject matter. They just want you to dance.

Finally, we have what they call Hardcore. Their songs are short outbursts of sheer energy and power. Slamming is a popular dance step to this type of sound. The songs usually contain political undertones but not any specific purpose. They point out all the problems in the world, but do not try to offer euphoric solutions.

The 1985 "Mount" Staff

Row 1: B. Thomas, T. Adolfsson, J. Taylor, S. Johnson, L. Paolucci, L. Tatro, P. Thibodeau. Row 2: Mr. Dwyer, K. Woods, M. Terry, G. Warner, K. Perry, B. McElroy, J. Ley, Mr. Sanborn. Row 3: F. Quinlan, B. Kimball, J. Millsbaugh, M. Zukowski, C. Cassese.

When we first started the yearbook, we were very enthusiastic about it. We wanted our Senior yearbook to be something special so that everyone would enjoy reading it and looking back on our years at M.S.J. with laughter and happiness.

Our staff was very small this year. We often experienced difficulty when pictures didn't come out right . . . But, our class did do a super job by going out and getting over \$2000.00 worth of ads.

We would like to thank Gary Bouchard for his help with photography, Mark Saks, The Jostens representative, for his advice; Mr. Dwyer and Mr. Sanborn, our moderators, for their time, consideration and cooperation. Also thanks to Missy, Lori Paolucci, Bill Kimball, Kevin Perry, Jim Crowley, and Farrell who helped with the production of the book in many ways.

We lastly thank our parents for their patience with inconveniences brought about by long hours after school.

Now that the yearbook is complete and the last deadline has been met, we feel very relieved. We wish you the best of luck and hope that THE MOUNT '85 will help you remember all M.S.J. was and is.

Your Editors,
Karen Perry
Gail Warner

Here's wishin' you the bluest sky
And hoping something better comes
tomorrow
Hoping all the verses rhyme
And the very best of choruses to ...
Follow all the doubt and sadness
I know that better things are on the way.

I know you got a lot of good things
happen' up ahead
The past is gone, It's all bee said
So here's to what the future brings
I Know tomorrow, you'll find better
things.

BETTER THINGS
THE KINKS
